Art and Design Teacher Education and Pedagogy CWG (AADTE)

- Cumulus network has lot of expertise in **art and design pedagogy**
- many schools have **art and design teacher education** degree programme or special study modules of art and design pedagogy
- **how to enrich this expertise within Cumulus**
-> launch CWG under art and design teacher education and pedagogy, **meetings in conferences** and **virtually between conferences**
- small-scale study spring 2017 about actors and needs
- **future collaboration decided by participants**: goals, topics, approaches/ perspectives methods, platforms,
- participation in Cumulus Conferences is not precondition for involvement in CWG - **different ways of working** e.g. virtual platforms

Cumulus Rovaniemi 2019

Cumulus Bogota 2019

New initiative from Cumulus Board

- Covid19 epidemic served as a stimulus but the idea of more extensive online working was launched and promoted before this
- the next Cumulus conference not until summer 2021 (Rome)

Cumulus Connects Microsite - <https://cumulusconnects.org/>
building the platform that connects Cumulus members

- based on the established structure, trust and collaboration
—> CWGs are key stakeholders for the Cumulus Connects platform
- new opportunity to announce, meet and share
- this might change CWGs and be a booster for new/ more activities
- all will celebrate to meet in person in June 2021

New initiative from Cumulus Board

CWG online meetings taking place already now

- General Assembly (12.6.)
- Leadership & Strategy CWG (16.6.)
- X-Files CWG, exfiles for internationalization (16.-18.6.)
- AADTE CWG (17.6.)

Working group session structure

General goal: reimagine and co-create AADTE ways of collaboration

Timespan of ideas: up to summer 2021 (next f2f conference?)

1. **Working in subgroups, part 1** (4-6 persons per subgroup/ room)
2. **Short presentation of subgroups**
 - key findings and conclusions
3. **Working in subgroups, part 2** (4-6 persons per subgroup/ room)
4. **Short presentations of the subgroups**
 - key finding and conclusions

Working in subgroups, part 1 (30 min)

- a) **our relevant and inspiring topics** to discuss, share and collaborate in AADTE CWG - make a **list of top five topics** (justifications would be nice too)
- b) **how we want work together online with the topics**
 - inspiring and functional ways and methods of collaboration (to enhance our participation and commitment), steps and timetables up to summer 2021 could be nice too. Could it be e.g.
 - monthly zoom sessions, including e.g. panel discussion, invited presentation/ introduction, thematic working group discussions, facilitation and people in charge, ...
 - active use AADTE Facebook group and/or blog site (how, who, facilitation,...)
- c) **expected outputs and results to share**, could it be e.g.
 - documentation of monthly meetings (videos of presentations, panel. discussions, working group discussions,...), video or podcast greetings from participants (perspectives of everyday work in a&d HE), publications (like?), ...

Please make 1-3 slides of your outputs/ key findings

Short presentation of subgroups (20 min) - key findings and conclusions

Working in subgroups, **part 2** (20 min)

- a) please **select one of the topics** (proposed by subgroups) and **have a chat/ debate** on the topic
- b) after the chat, please use some time to discuss, **how we could continue debate and collaboration** on the topic

Please make 1-3 slides of your outputs/ key findings

Short presentation of subgroups (15 min) - key findings and conclusions

Next steps of AADTE CWG online activities

Minimum outputs

- date and time of next online AADTE CWG meeting (Zoom), late August?
- methods/ means of communication (within ADDTE CWG)
